

Crozer-Keystone Health System

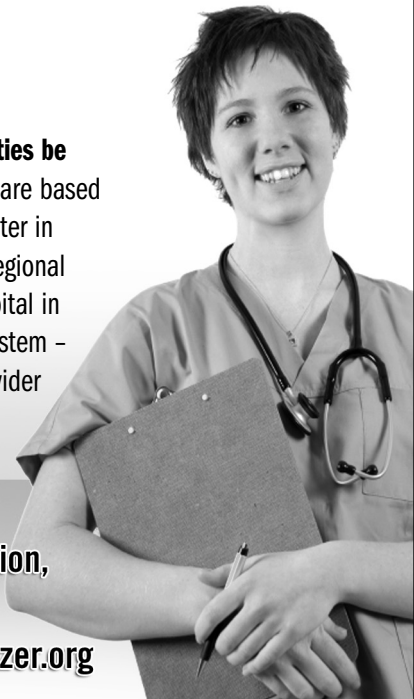

Allied Health Education

We can help you get started on your way to an exciting career in medicine. Our schools are comprehensive yet affordable, and most are affiliated with local colleges and universities.

Schools are available in these in-demand fields:

- ▶ Clinical Neurophysiology
- ▶ Emergency Medical Services
- ▶ Diagnostic Ultrasound
- ▶ Nurse Anesthesia
- ▶ Radiologic Technology
- ▶ Respiratory Therapy

Let our state-of-the-art facilities be your classroom. All programs are based at Crozer-Chester Medical Center in Upland, Pa., a sophisticated regional facility that is the largest hospital in the Crozer-Keystone Health System – the dominant health care provider in Delaware County.
